

The logo for Mayers Industrial Supplies features the word "MAYERS" in a large, bold, sans-serif font with a grey-to-white gradient. It is flanked by two horizontal black lines. Below "MAYERS", the words "INDUSTRIAL SUPPLIES" are written in a smaller, bold, black sans-serif font. The entire logo is centered within a large, light grey diamond shape.

Mayers have been supplying the Birmingham and surrounding areas with fasteners and fixings for over 40 years. Utilising the skills and expertise developed over that time the company can offer a high level of reliability and service in supplying an expanding range of product that now includes industrial consumables. As part of our ongoing commitment to offer the most competitive prices and service we have re-negotiated terms with our suppliers and are now able to supply small, medium and large users with their total requirement of fasteners, fixings and engineering consumables. Contact our sales office today with your requirements for a prompt quotation and if we do not keep the required item in stock we will endeavour to locate and supply it usually on a next day basis.
